

THANK YOU

for your support

We take each offering as a joyous blessing toward the ministry we are trying to accomplish at Christ Lincoln. We could not accomplish the excellent kingdom work without you. Please review the information provided on this postcard to learn more about our 2020-21 budget, how we have restructured our fiscal year, how you can stay informed on our upcoming needs, and to see steps that we are taking as a church to promote transparency and fiscal responsibility.

NEW FISCAL YEAR

We changed our fiscal year to July 1st - June 30th to better line up with the school year and school budget. This will allow Christ Lincoln to properly budget the high volume of offerings received in December.

TWO-ASK APPROACH

We have moved our special appeals and most of our dedicated accounts into the General Fund budget to reduce the amount of fundraisers, give a clear picture of what it takes to maintain our ministry, and give clarity to our donors.

SUPPORT OUR MINISTRY

Thank you for your continued impact on our Christ Lincoln community. Visit christlincoln.org/give for updates on how you can help further with upcoming projects and needs.

FISCAL RESPONSIBILITY

In order to promote fiscal responsibility, we have taken a few steps within our church and Lay Leadership Board (LLB):

1. Developed financial procedures for approving expenses, and guidelines for all dedicated accounts.
2. Budgeted our Sumner debt interest in our General Fund.
3. Developed an "All-in" budget approach, approved by our LLB, to better communicate the real cost of ministry with our congregation.
4. Held our first Financial Town Hall meeting, to be held quarterly.
5. We look to make our treasurer a non-voting member on the LLB.

ONE YEAR AT YANKEE HILL October 2020

On September 28th, 2014, 174 members agreed to serve as missionaries to open a "South Campus" of 211 at Lincoln Christian.

Our worshipers grew with us as we started construction in south Lincoln. On October 27th, 2019, our "South Campus" moved into its permanent home at 67th and Yankee Hill Road.

Since then, we have celebrated with hundreds of individuals in our new worship space. We continue to see God work through Christ Lincoln as we celebrate one year of our worship and child care at our Yankee Hill campus.

"I can't even tell you how instrumental 211 has been in my life, ever since a friend from work brought me in. For the first time, I felt like I had a relationship with God."

- 211 Yankee Hill Worshiper
