

# How do I watch Christ Lincoln on my TV?

\*Note that at this time, this process has been tested with Roku, Amazon Fire TV, and Apple TV only.

1. Install the free Boxcast app on your SmartTV device.
  - a. **Roku:** Navigate left on home screen and select “Streaming Channels,” then select “Search Channels” and type *Boxcast*. Once found, click “Add channel.”
  - b. **Amazon Fire:** Navigate left on home screen and search *Boxcast*. Once found, click to download app to your device.
  - c. **AppleTV:** Navigate to the App Store on home screen and use the search feature (magnifying glass) to find and select *Boxcast*. Then click “Get” to add the app to your device.
2. Wait for the Boxcast app to download and then launch it.
3. The first time you launch the app search for ‘Christ Lincoln’
4. Select the service or upcoming stream you’d like to watch.
5. **IMPORTANT:** Save time and select ‘Add to Favorites’ to make it easier to find Christ Lincoln next time!
6. Tell your friends how easy it was. It’s so great to worship in community—and that includes your living room! We’ve found it is much easier to join around a TV than a computer or mobile device.
