#### Mission of the Month - Hope Center Uganda

[The Hope Center Uganda](#) is an orphanage and baby home in Mityana, Uganda whose goal is rescuing abused, abandoned, and orphaned children of Uganda and restoring their future with a Christ-centered home. The Hope Center averages around 30 children at the center at any one time. The Center also employs around 25 Ugandan staff members in the role of caretakers, cooks, security, operations, social workers, and other support staff. The Hope Center is in need of a new van to transport children to and from appointments, purchase and pickup food and supplies as well as countless other trips for staff to continue their mission. Christ Lincoln's donation will be a huge step toward

purchasing this new-to-us van and making sure we can effectively operate and impact these children's lives.
