Mission of the Month - City Impact

City Impact is a faith-based, youth development non-profit in Lincoln, Nebraska. They mentor, teach, and empower under-resourced kids, growing them into leaders who break the cycle of poverty. They live and serve where our community needs it most. City Impact works with youth to remove emotional, physical, and spiritual barriers, allowing them to flourish. Christ Lincoln's contribution impacts 125 kids, for an average of three children per family, that means 41 parents will get to experience the joy and dignity of giving each of their children a gift on Christmas morning. Along with our donation we are going to collect new gifts for City Impact's annual Gifts of Love - Christmas with Dignity

program. Gifts of Love is one of Lincoln's largest and longest running Christmas outreach programs, providing Christmas with dignity to families in need. [See our website](#) for a gift list and more information about this month's Mission of the Month - City Impact!
