## A New Year Brings New HOPE

By Keith Logan, Executive Director

In 2025, as much of the world faces uncertainty, children in Haiti are longing for something simple but vital—HOPE and a meal to sustain them each day. Amidst gang violence and instability, many children are hungry, scared, and yearning for a better tomorrow.

At Trinity HOPE, we know that the ultimate source of hope is Jesus Christ. That’s why our mission is clear: to bring the Good News to children in Christian schools through the gift of a nutritious meal, served in the name of our Lord.

Despite the challenges Haiti faces, God has opened doors for us to expand. This school year, we’ve added nine new schools to our feeding programs, allowing us to serve approximately 65,000 meals every day—that’s over 1.1 million meals every month! Each bowl of rice and beans is more than nourishment; it’s a tangible reminder of God’s love for His children.

This vital work is not without its challenges. Our staff in Haiti often operate in dangerous conditions, but we trust God’s plan and draw strength from His

Word: *“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me” (Matthew 25:40).*

You can help us bring hope to Haiti’s children. Just \$25 provides approximately 70 meals, giving children the strength to learn, grow, and feel God’s love. Visit [www.trinityhope.org](http://www.trinityhope.org) or call 615-394-4950 to help make a life-sustaining difference today.

Together, we can continue our mission of *Bringing Hope to the Children of Haiti One Bowl of Beans and Rice at a Time*. May God bless you throughout 2025!
